KNM

OUTSOURCING
& CONSULTING

KULDEEP NAGPAL / +91 98914 11110
Managing Director / kuldeep@knmc.in

“Business leaders should choose their advisors with much the same diligence as people choose doctors. There must be confidence that if challenges arise, you have invested your trust with the right people.”

WHAT WE ARE...

KNM is one of the fastest growing outsourcing company in India in the field of accounting, taxation services, company matters and other related issues regarding Indian Taxes. The company is managed by the professionals having experience of more than 15 years. Mr. Kuldeep Nagpal, Managing Director of the company, has started consulting services in the year 2003 as proprietor and converted the company to “Private Limited” in January 2009.

We offer expert advisory services to public and private businesses. Through our knowledge and expertise, we have been able to establish trust and satisfaction of our esteemed clients. We represent the consortium of knowledge and experience in the arena of ‘Accounting & Indian Taxation’.

WHAT WE CAN DO FOR YOU...

KNM has a specialised team that can assist you in the following functions:

- Advisory pertaining to set up business in India
- Registrations and Approval Services
- Accounting service as per Indian Accounting Standards and IFRS
- Compliances with Indian Laws and regulations
- Liaison with Revenue and other Government Authorities
- Audit and Assurance Services
- Management Consultancy Services
- Other Advisory Services

You are welcome to speak to us if you are setting up new business entity in India. Some illustrative benefits of consulting with us are -

- Reducing the accounts and administrative burden through outsourcing of accounts function, tax compliances and payroll related compliances activities.
- Easy resolution to concerns relating to tax compliances and the jurisdiction in which your company operates.
- Ensuring proactive compliance and advisory which will minimise the risk of late payments, interest and penalties.
- Identifying weaknesses in internal controls and timely remedial measures for improvements to minimise risk exposure.
- Identifying tax planning opportunities to optimise overall tax efficiency.
- Ease in getting audited by the local tax authorities.
